Xsoni Systems Private Limited

<https://www.laundryequipmentsindia.com/>

We are an Indian manufacturer & exporter of commercial laundry machines & garment finishing equipment branded as XSonI SYSTEMS. Technically accurate products & prompt services delivered gives us an edge in the global market.

About Us

Established in the year 1985, we are a well reckoned manufacturer & exporter of laundry machines and garment finishing equipment. We are a leading supplier in India offer **Washing & Processing Machinery, Industrial Dryer, Dry Cleaning Machine, Flat Linen Ironing Machine, Electric Steam Press, Hydro Extractor, etc.** We are also service provider of **Laundry Consultancy Services**. Our extensive range caters to the needs of garment finishing units, commercial laundries, hotels, hospitals and other units where bulk laundry is inevitable. Operating under the tutelage of Mr. Mahesh Chauhan, our organization has grown exponentially. It is Mr. Chauhan's in depth technical knowledge, market understanding and strong business acumen that has steered the growth path of our company. Even since establishment, we have been introducing significant changes in the equipment available with us and are able to meet the international competition. Devised to emphasize our teamwork, high level of quality assurance and flexibility, our effective management systems & processes function on defined procedures & standards. Along with a well-laid production facility, we also have a in-house R&D department that continually works to develop new machinery and also to bring improvements in the existing line, so that we are at par with global competition. We assure complete customer delight through our set of client focused services like designing, equipment selection,...
